

Anterior Advantage ESY Solution (OR Efficiency) in Total Hip Arthroplasty

Tuesday, September 24, 2019

During this webinar, Professor Kristoff Corten will discuss his compelling OR efficiency model as implemented at his local facility in Genk, Belgium.

Delegates will hear Professor Corten describe the importance of a Team approach and a documented training curriculum that can achieve substantial efficiencies within the OR when using the Anterior Advantage ESY approach to the hip.

Delegate Criteria

Orthopaedic surgeons, Theatre Managers, OR Nurses, Hospital Managers, Payers who are committed to explore solutions to show significant improvements in OR efficiencies within their own facility.
